Strengthen your Leadership advantage

Skillsoft Leadership Development Program (SLDP) powered by MIT Sloan Management Review (MIT SMR) brings a powerful combination of leading-edge learning resources, world-renowned thought leadership, proven instructional design, and an engaging learner experience in a single online platform. This exclusive collaboration offers visionary leadership development content that prepares leaders with the right competencies to drive performance and succeed in the digital era. Learners will benefit from MIT SMR authors and contributors who stand at the intersection of business and technology, and are experienced at making complex ideas understandable and practical. This valuable Skillsoft benefit is typically reserved only for the MIT community or MIT SMR subscribers.

SLDP learning content is turbo-charged when delivered on the award-winning learning experience platform Percipio.

Percipio allows learners to take advantage of a beautifully designed, consumer grade environment that offers the choice of where, when, and how to learn with an accompanying mobile app. Percipio accelerates learning with the latest tech tools like voice commands, personalization, and playlists resulting in a compelling experience that keeps learners connected and coming back for more.
